Morrow County Elevator Renovations

The elevator in the Morrow County Courthouse is in the process of being renovated. Morrow County was awarded financing from the Community Development Block Grant (CDBG) to support this project. The renovation, which will allow handicap accessibility to the Recorder and Probation offices, is expected to be complete by the end of December.

Bennington Township Re-zone

The Morrow County Board of

Thank you for viewing the very first newsletter from the Morrow County Development Office. We hope to use this format to keep you informed of new developments, information and opportunities within Morrow County. We hope you register to receive our newsletter by clicking the "join our mailing list" link on the side bar.

2013 Entrepreneurial Success Award

Pat Davies was the speaker at the November Chamber of Commerce luncheon. At the luncheon, she recognized Lubrication Specialties, Inc. for entrepreneur success and community partnership in Morrow County. Marengo Fabricated Steel was also

recognized for the largest building expansion and for the creation of 20 new jobs in Morrow County. The 2013 Newcomer award was given to Plungees, a worldwide company founded in Iberia that focuses on improving the appearance of the bathroom plunger. Check out the Plungees website at www.plungees.com for more information. For more information on these three successful businesses in Morrow County, please contact the Development office.

Morrow County's Ringler Energy in the National Spotlight

Ringler Energy held an open house for the new anaerobic digester in Morrow County. For more information click on the "News" link above to read the Farm and Dairy Magazine and the Brown Field Ag News articles about Ringler Energy.

hold a public hearing on December 23, 2013, to hear discussion concerning a re-zone application submitted by the Morrow County Zoning Commission. The re-zone will designate 23 parcels at State Route 61 and I-71 from Industrial I-1 to Highway Commercial C-2 in Bennington Township. With the amount of re-zones conducted in this area over the recent years, Morrow County is sure this re-zone will help fuel development in Bennington Township.

Connect Ohio Presentation Comes to Morrow County

On October 30, staff from Connect Ohio came to Morrow County to recognize the work the County has done to provide residents with internet connection. During their visit they also analyzed where Morrow County could improve its connections. To view the Morrow County Technology Plan, please click the following link.

Morrow County Airport Receives Major Improvements

In October, the Airport Authority Board and Morrow County Chamber of Commerce held an open house to showcase the improvements done to the Morrow County Airport. The access road,

apron, runway, and taxiway all received updates. The Development office is proud to have had a hand in the planning and management of this project. With these updates and improvements, the airport is better equipped to serve those flying to and from Morrow County for business or pleasure.

Thank you for reading our newsletter. Remember to sign up for our mailing list so you can hear about the exciting developments that are occurring in Morrow County. If there is any way we can assist you, please contact our office.

Sincerely,

Pat Davies
Morrow County Development Office

During this holiday season, our office wants to wish you and your family a very MERRY CHRISTMAS and a HAPPY NEW YEAR!
