Get Charged Up!

Save a life!

Please test and change
the batteries in your
smoke and carbon
monoxide detectors !

Pick-up your FREE 9V battery at the 911 Center
located at 140 S. Main Street, Mt. Gilead, Ohio

Recycle your spent batteries!

- Morrow County Recycling
- Morrow County 911 Center
- Morrow County Health Department
- Your Local Fire Department

Insulation (tape over terminals) is not required for Alkaline (AA, AAA, C, D, 9V),
NiCd, or NiMH batteries when marked with a rating of 9 volts and under.

*This voltage rating should be noted on the battery wrapper or case.

**Battery Recycling: Please make sure to place tape terminals BEFORE
you bring them to a drop-off location for Recycling. Thank You!**
